Department of Rachana Sharir

In the series of various academic activities departmental seminar was presented by the Department of Rachana Sharir, KAMC, Vadoadara, on 17th July, 2021. At 4 to 5pm. The presentation of topic entitled “Asthi Majja Sharir wsr to osteoporosis”, was done by Dr.Neha Pitla, Assistant Professor of Dept of Rachana Sharir. All the faculties and Students were actively present for the seminar.

The seminar was conducted in the seminar hall and it commenced sharp at 4pm. Mr. Radheshyam Sadhu, Lecturer from the department of Samhita Siddhanth welcomed everyone and gave a brief introduction about the subject. The presentation was done through a power point presentation and was shared via the over head projector.

The lecture started with emphasizing on the ageing associated diseases. The prevalence rate of osteoporosis according to the international osteoporosis foundation was mentioned and discussed. General description of Asthi and Bone were explained. How Asthi Majja Sharir plays a role in causing osteoporosis was also explained in detail. The last part of the lecture consisted of discussion and conclusion on the causes responsible for causing osteoporosis. Total 26 were present for the seminar. There attendance sheet is attached in a separate sheet attached with the file.
