# INTRODUCTION

- The event started with a formal inaugural function at 10:00 am in Rachana Sharir Department on 26<sup>th</sup> December under the guidance of Principal **DR. SUNIL P CHANGLE**.
- The demonstration was conducted by the Delta Healthcare team with the support of Rachana Sharir Department. For the model demonstration event, Principal of the BITS Physiotherapy College Dr.Mahesh Jadhav, Principal of the BITS Nursing College Ms.Malika Vora were invited.
- Before starting the event Delta Healthcare team assembled and organized all the models. The team explained about the material used in the making of models and the benefits of the material. The team showed the assembling and disassembling of the models. Total 39 models were explained.
- The role of model demonstration is an effective instructional strategy in that it allows students to observe the teacher's thought processes. Using this type of instruction, teachers engage students in imitation of particular behaviours that encourage learning.
